## 28 Day Bible Reading Plan

We know we should love others... even our enemies (big gulp!). But what does that mean, what does it look like to love others? This 28-day reading plan will walk through scripture passages that should help you learn what it means to love others and how to love others well.

You'll notice the Old Testament passages are at the end of the reading plan. This whole reading plan stems from 1 John 4:19, "We love because he first loved us." So we'll start with Jesus' teachings, then the apostles, and then finally, we'll see that loving others is something we've been called to since the very beginning.

### Questions to Ask:

As you read through this plan for next 28 days, consider the following questions:

- What does this passage say about love or loving others?
- What does this mean?
- What is (or should be) my response to what I've learned?
- How can I apply this to my life today?
