

Walking with God

And hearing His voice

Does it align with scripture? (Either a specific verse and/or the overarching narrative of scripture).

Has God confirmed this through others?

Do I need God to confirm this through others or His word?

Is this word for me or others?

Is this word for the whole church or a specific person or group?

Is this a word to share now or wait?

Do I understand the interpretation of what God said?

Do I need to seek God or godly wisdom to understand what this means?

Is there an action I need to take to obey what God said?
